Dear Principal,

Greetings!

Subject: Inviting your school for participation in Inter- School Photography Contest

DAV Public School, Pushpanjali Enclave looks forward to celebrate the talents of students along with integration of art in education. We regularly organize Interschool activities (competitions) to provide unique opportunities to students where they test their skills and gain recognition. In continuation of the same, we have planned an innovative competition in association with Mr. Shyam Prasad , National Photography Award Winner and Director of - Shoots & Shoots Photography and Film Academy.

Digital Art is a very famous form of expression among students. We want to give them an opportunity in this field, so that they learn more about handling camera, photography and realize their talents. This inter-school Photography competition will open up a new horizon and will lead to a brighter future for them in the field of Photography .Our 'Selfie kids' need a direction to channelize their talents to create a digital piece of art. With this vision, we look forward to your participation with full enthusiasm.

Important

The cameras should be under the custody of the accompanying teacher and no student will be allowed to click or upload on social media any unguided image of the school campus.

Hope to meet you soon!

Principal

Rashmi Raj Biswal
