

LogIQids Logical Reasoning Olympiad 2018-19
(Conducted by IIT-IIM Alumni)

Dear Parent,

The **LogIQids Logical Reasoning Olympiad** is scheduled to take place in our school on **27th November, 2018**. The exam will be a pen and paper exam and Grade 5 to Grade 8 students will have to mark the correct answer in the OMR sheet. You could check out the sample OMR at the following link: bit.ly/2yZJzeH

Please note **the roll number** of the student will be shared by the LogIQids team in due course.

You could check out the detailed rules by visiting the following link post login:
<https://www.logiqids.com/dashboard/test/rules/>

Please note that every student has been provided personalized worksheets, topic notes and a sample paper for practice. This material can be accessed by logging to your LogIQids account on www.logiqids.com. The username and password had been emailed to you by the LogIQids team. You could search for an email from support@logiqids.com. In case you are not able to locate the username and password, you could retrieve the same from the link <https://www.logiqids.com/forgot> by using your email id or phone number.

These worksheets are specifically designed to help enhance the logical thinking in kids and focusses on development of various important skill-sets like **problem solving, analytical thinking, decision making** etc. We strongly recommend that each child solves all the worksheets provided to him or her by the LogIQids team.

Post the exam each child will be provided a detailed result along with a certificate. Few select kids who do well in stage 1, would be eligible for stage 2 of the exam.
