Highest in Humanities
(5 Subjects)

Shri Punam Suri

President DAVCMC

I Congratulate the Principal, teachers and the brigade of young students of class XII on their roaring success in the C.B.S.E examination. The hard work, dedication and commitment has finally borne rich dividends. I wish you a bright and prosperous future.

Shri R. S. Sharma

Gen. Sec. DAVCMC

If one has strong desires, one also possesses superhuman powers to achieve. The students have proved it once again. They had a strong desire which they coupled with enormous efforts and dedication and have come out with brilliant performance. Thus, I congratulate them on their success and wish them luck in future, as well.

Nisha Peshin

Director (P.S II)

Doing small things in a great way leads to success that is truly amazing. "Developing a love for studying, gaining knowledge and implementing on their learning has been the hallmark of these students. They not only dreamed but also planned and believed in their plans. Their, dreaming, planning and confidence in the small things has made them reap their dreams with outstanding results. Thus, I congratulate the students, their parents and teachers for the hardwork put in and the success achieved.

Mrs. Sneha Verma

Manager, DAV Pushpanjali Enclave
Principal, Kulachi Hansraj School

What the mind can conceive and believe and the heart desires, one can achieve. The students had conceived the idea of being successful in their exams and had believed in securing excellent marks, hence, they achieved the success desired. Their effort and pain have borne excellent results. I congratulate them, their parents and teachers who made them realise that the things one fights for and struggles with before earning have the greatest worth.

Rashmi Raj Biswal
Principal

Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence and the starting point of all achievement is desire. There is no short cut to success. It requires thorough preparation, discipline, learning, building and setting up a goal, working religiously to give one's best, seize opportunities and reinforce the foundation of courage and true progress. The students embraced the power of personal growth and personal achievement with understanding and strength of purpose with self actualization which led to their high achievement in the framework of high expectation. I congratulate, the students, parents and the teachers for the excellent results achieved.
